(It's ① name_② gender_③ e-mail_④ username_⑤ ICO participant confirmation sentence_ ⑥ MTT token purchase quantity _⑦ Ethereum wallet address for ICO participation_⑧ check 'confirm entering'_ ⑨ click 'submit')

g. After finish all of MTSP process, You'll get below email letting you know confirmation of success for ICO participation (all done for participating registration)
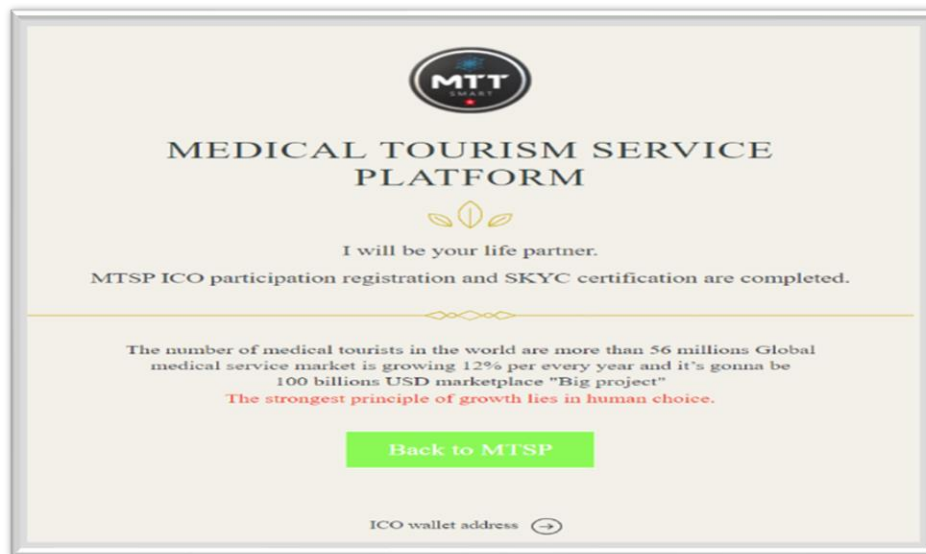

2. Sending and confirming email regarding MTSP ICO participation

wallet address

a. After finish provement in MTSP ICO participating registration, there will be below 'Send MTSP ICO wallet address'. Put email you wrote in provement in 'E-MAIL' and click 'submit'
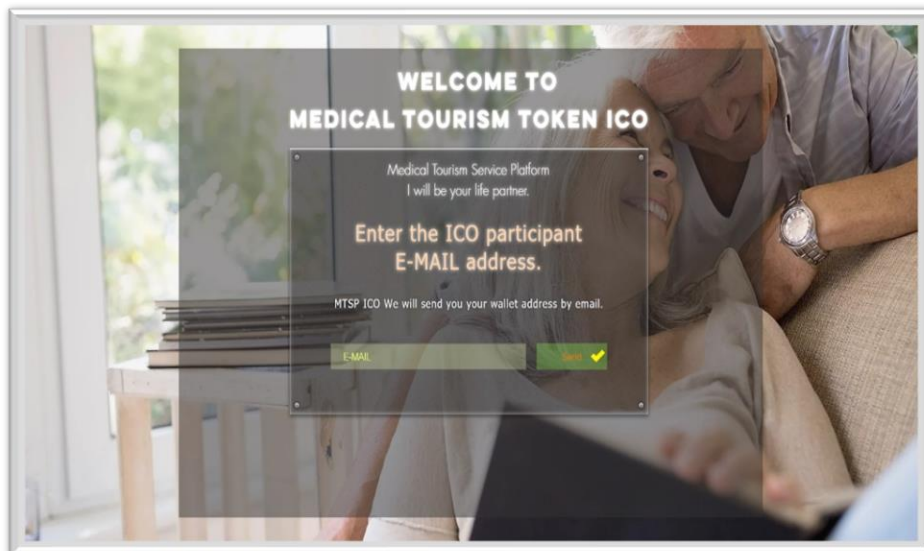

b. You'll see below if it has been sent successfully
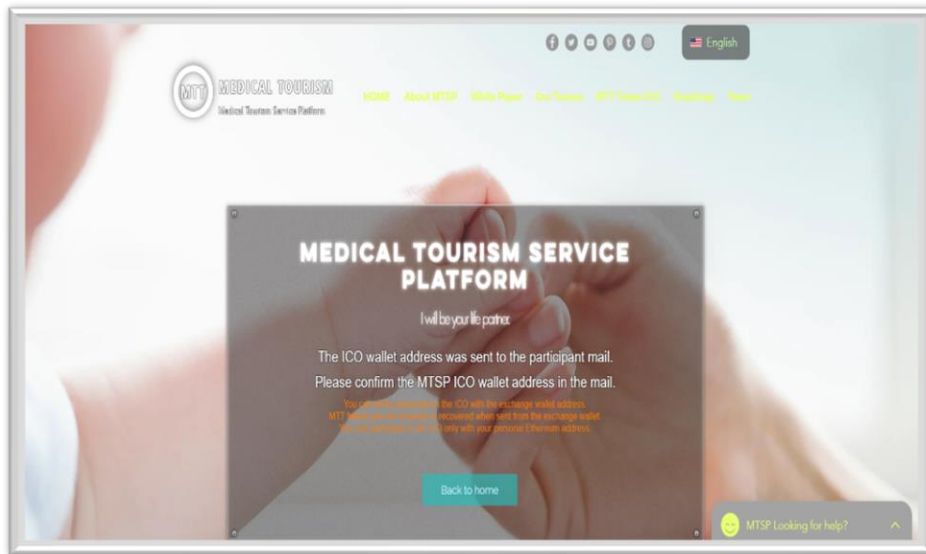

c. You can check MTSP ICO wallet address in your email like below

d. Copy and save MTSP ICO wallet address in PC or USB

(You need it to send Ethereum)

STEP 3. Buying Ethereum you need to participate in MTSP ICO

1. Cryptocurrency trade center (trade center in participant's country & global trade center)

ex) Binance_Bitfinex_Gate.io_Upbit_Liquid_etc,,

a. Make account in cryptocurrency trade center

b. Buy Ethereum

c. Transfer Ethereum from wallet in trade center to wallet in your MyEtherWallet

d. Check if Ethereum has been sent successfully to your MyEtherWallet accound wallet

☞ Important: You can't participate in MTSP ICO via wallet in cryptocurrency trade center
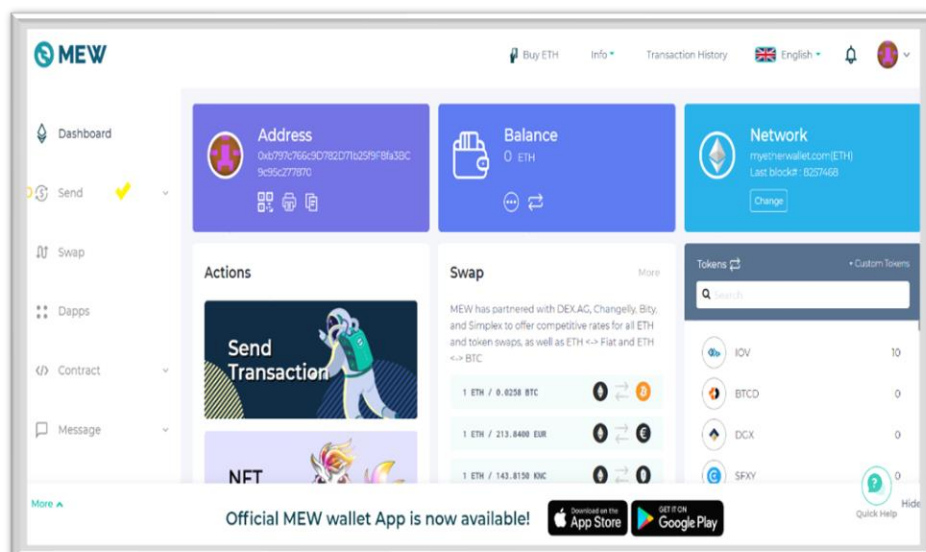

2. You can buy with your credit card in MyEtherWallet

(Login to MyEtherWallet and check procedure to buy)

STEP 4. Transfer Ethereum to MTSP ICO wallet address

1. Transfer Ethereum at MyEtherWallet website

a. Go to MyEtherWallet website and login

b. Click 'send'

c. Choose 'Send Transaction'

Write down to below

(① Check ETH in Type_② Write down ammount of Ethereum_③ Write down wallet address in 'To Address'(Copy and paste MTSP ICO wallet address)_④ Check auto or manual for 'Gwei' in 'Transaction Fee'_⑤Click 'Send Transaction' after confirm to send. All done to buy MTT in MTSP ICO/Congratulation!)

☞ Warning(You can transfer Ethereum as long as you have enough Ethereum to use for gas)

- Recommended gas limit : 200,000

- Recommended gas price maximum : 50 Gwei

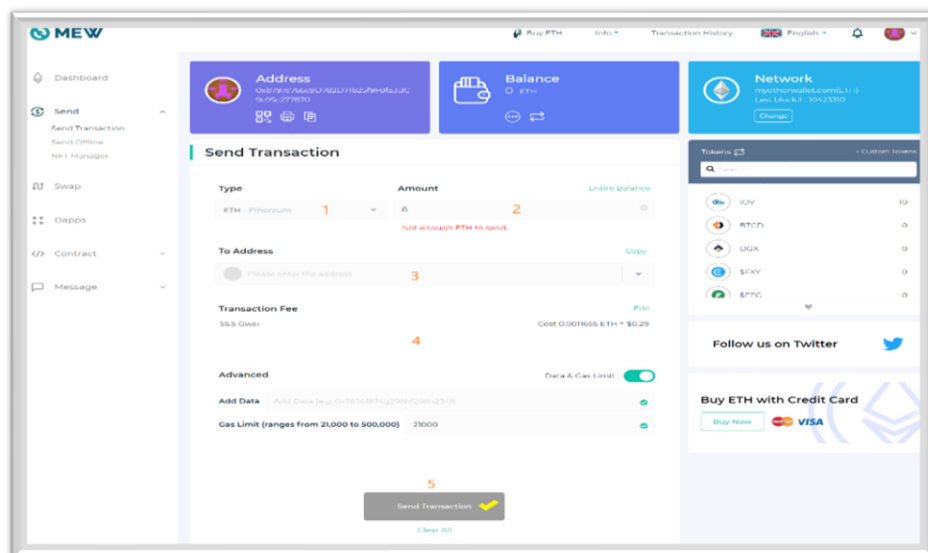

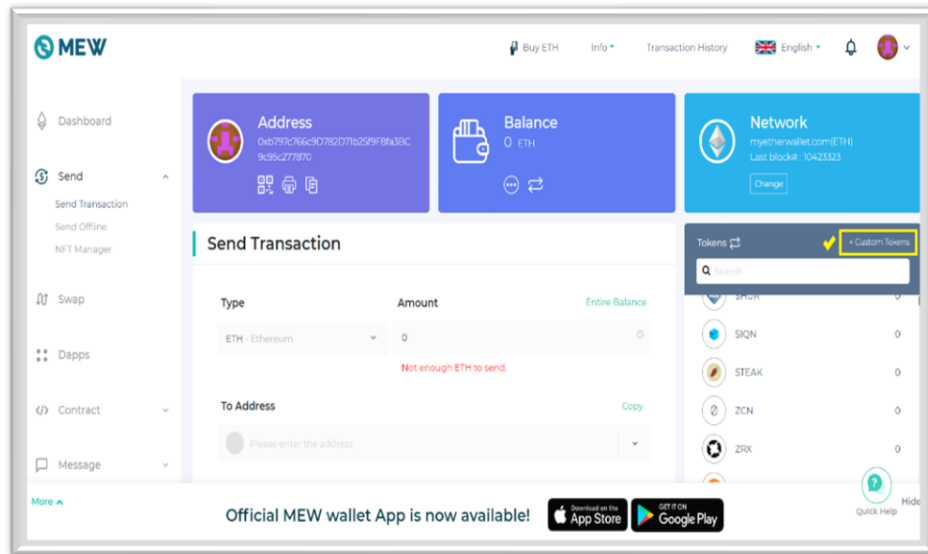

STEP 5. Check 'MTT Token' in MyEtherWallet

1. Confirmation of MTT Token transfer

☆ After 30days from MTSP ICO, Token will be distributed gradually

You will get introduction email after token is transferred

After check email, you can check MTT Token deposit. And there is additional custom token in below sequence

a. Login to MyEtherWallet website and click 'Custom token' in right side(Yellow color)

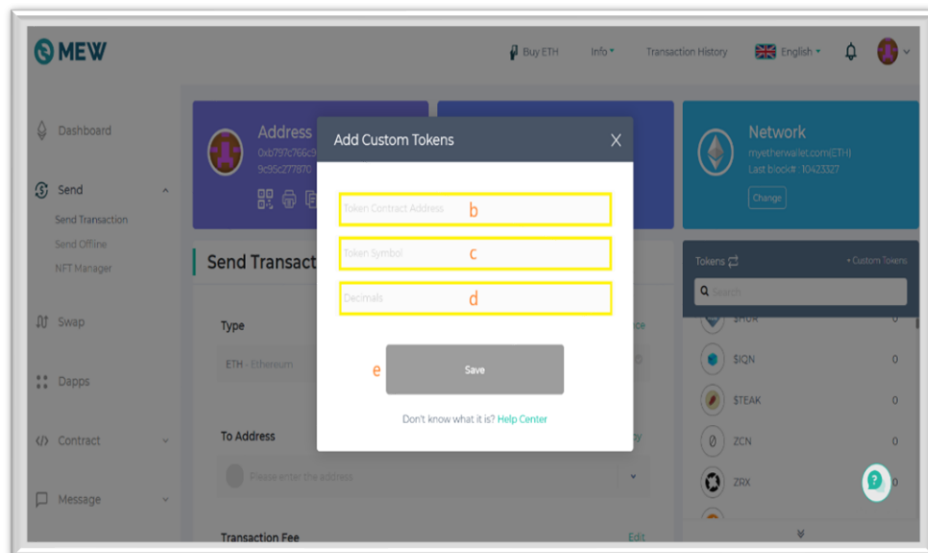

b. Write down MTT Token address in 'Token Contract address'(copy and paste)

c. Write down 'MTT' in 'Token Unit'

d. Write down '18' in 'Number in Decimals'

e. Check everything and click 'save'

f. You can check MTT Token transferred to MyEtherWallet account

Now everything is done to parcitipate in MTSP ICO. Congratulation.

There are a lot of people participating in ICO. So it seems like it will be done earlier.

Wish all the best to every participants.
